SUSK's 45th Anniversary McCongress is a success!!!

by Lisa McDonald

On February 21 - 23, 1998 the Ukrainian Canadian Students' Union (SUSK) held its Congress in Hamilton, Ontario. This Congress was an extraordinary one as it celebrated the 45th Anniversary of SUSK. This year the McMaster Ukrainian Students' Club took on the responsibility of organizing this

years extra-special event. Congress was attended by 37 delegates representing eight Ukrainian Student Organizations from Calgary, Western, Waterloo, Brock, McMaster, Queen's, Toronto, and Windsor. We were extremely honoured to have as guests at this years Congress, Donna Korchinski and Doris, of the Ukrainian Canadian Professional and Business Federation and Nestor Gula, SUSK Alumnus and Zdorovi Editor.

Congress was opened at a wine and cheese ceremony which saw Gena Slawuta (SUSK President), Donna Korchinski (P's and B's Federation President), Gregory Ciupka (Sponsor from the United Ukrainian Credit Union) and the McMaster Congress

Saturday morning began with Executive reports and absolution of the past SUSK Executive. Some of the accomplishments of the outgoing SUSK executive included:

- the formation of the SUSK Justice Committee to represent SUSK on issues pertaining to injustices to Ukrainians - revived and published 3 issues of STUDENT newspaper

- commissioned a SUSK 45th Anniversary commemorative artwork, which was unveiled at the Congress Banquet Saturday afternoon

consisted of guest speakers: Pavlo Grod and Andrew Gregorovich spoke on the Deportation and Denaturalization issue, Bohdan Horich gave a mystery session on Witches in Ukrainian history, and Pavlo Grod and Marko Sereda spoke on the Canada Ukraine Internship Program.

Saturday evening consisted of a sumptuous banquet, which saw 1953 SUSK Founding member Eugene Roslytsky as the keynote speaker. It was at the banquet that SUSK unveiled it's 45th Anniversary project, a commemorative artwork commissioned by artist Olya Lisowy Bociurkiw.

Sunday's focus of the 45th Anniversary Congress was the election of a new executive for the 1998/99 term of office and resolutions that would serve as a

SUSK's President's Corner

Dorohil!

As the new SUSK executive looks ahead to our term of office, we must not forget how and when SUSK began. It was 45 years ago that a group of dedicated people started this organization. This is when the tradition started, and over this period, SUSK has seen it's ups and downs, but I believe that there have been many more positives than negatives. The new SUSK executive team pledges to keep SUSK a great organization, as it has been in the past. We look forward to making the upcoming year a great one!

Along with Taras Hetmanczuk, Daria McDonald, Tyrsa Gawrachynsky, Anna Marzotto, Roman Zakaluzny, Orest Szczurko, Pavlo Horbal, Pavlo Oleskevych, Bohdan Horich, Danylo Soja, Lisa McDonald, Mike Ilnyckij, Gena Slawuta and myself, the new executive would like to thank the alumni for all the help and support they have given us. We tip our hats to you for making SUSK what

it is today. We promise to keep the tradition alive and work hard for many years to come. SUSK has grown into a big family, one that is always adding new people to it. So, Mnohaya Lita SUSK! We hope that the next 45 years will be as great as the past 45!
